

Wedding Vows

As I stand here before you, looking into your eyes,
I see all of the things I fell in love with.

As I stand here before you, my heart beating so strongly,
I find myself so lost for the right words to say.

As I stand here before you, this ring in my hand,
it makes me remember how complete you make my life.
It makes me remember every laugh we've ever shared,
every hard time we made it through together,
and every beautiful moment there is to come.

I give you this ring, my heart, my soul.

I give you the everything I am today as I stand before you.

I promise to love you, protect you, be with you forever,
and cherish every moment.

With this ring, let it be known I chose you.

Let it be known, that with this ring, I promise to be with you
for all eternity, 'til death do us part.
